Visit the OSU Extension Demonstration Garden in Redmond
Saturday, August 24th

Demonstration Garden Open House

Who: Woodside Ranch garden group, family, friends (and the public)

Where: OSU Extension, Deschutes County Fairgrounds, Redmond, Parking Lot D

When: The event goes from 10:00-3:00 but the Woodside group is **meeting at 10:30** at the Demonstration Garden sign by the sidewalk. Stay as long as you wish.

What: Visiting the Demo Garden was one of the activities our Woodside Ranch gardening group said we wanted to do this summer. It makes sense to visit the garden on a day when lots of activities will be going on!

* **Chris Miao will meet our Woodside group at 10:30** and give a “lay of the land.” Chris is a member of our Woodside Ranch gardening group and is an OSU Master Gardener. You’re then free to explore the garden to get ideas of what will grow in Central Oregon as well as gardening techniques. There will also be free classes you may attend.

* Here are the classes that will be offered:

- 11:00 Nuts & Bolts of Landscape Design
- 12:00 Soil School
- 1:00 Gardens of Eatin’
- 2:00 Master Food Preservers

* The OSU Master Food Preservers will offer a class, in addition to an information station and will test your pressure cooker gauge. The Sagebrushers Art Society has also been invited to participate.

* You might wish to eat lunch at the nearby Juniper Golf Club. The View Restaurant is open to the public and has a wonderful view of the Cascades: 541-923-8198 X 2
